

Frequently Asked Questions

What is the difference between Traditional Mail Order and the Online Ordering service?

Traditional Mail Order requires you to order all your prescriptions via mail or phone. You must complete the included patient profile form and submit it to Costco Mail Order Pharmacy. Traditional Mail Order also accepts personal checks and Electronic Funds Transfer as forms of payment.

Online Ordering service requires you to order all your new prescriptions online at pharmacy.costco.com. You should discard the included patient profile form and create an online account. Please remember that each individual receiving medications must have their own unique email address in order to create an online account. All communication between you and the pharmacy will be done via email.

How do I get more patient profile forms if I choose to use the Traditional Mail Order service? Contact Costco Mail Order Pharmacy at 1-800-607-6861.

When do I need to place my order? It is Costco's goal to have your order in your hands 14 days after Costco receives it at the processing facility. Please allow a few extra days when placing an order for the first time. Please remember to calculate the amount of time it may take for your prescription(s) request to leave your household and reach the facility. Once Costco receives your order it will leave the facility within one to four days. Costco offers free standard shipping. Expedited shipping options are available for an additional fee. If you do not receive your order in 14 days, please contact Costco Mail Order Pharmacy at the toll-free number provided.

How can I ensure my order will not be delayed? Please ensure you are providing Costco with a valid shipping address and valid payment information. Please ensure your name, address and phone number are written legibly on all submitted documents including the original prescription(s). Your physician must provide complete directions for use. Costco cannot dispense an order without valid instructions; "use as directed" will not be accepted. Per Washington state law, an out-of-state, mid-level practitioner (i.e. ARNP, PA-C) must have all prescription(s) co-signed by an MD or DO. Please ensure your prescription is written for the maximum days supplied allowed by your plan (usually 90 days) and contains additional refills.

How do I pay for my order? Costco requires payment with every prescription order. The shipment of your prescription order may be delayed if: Costco does not receive payment in full at the time of order, if you have an unpaid balance with Costco Mail Order Pharmacy, or if your forms are not filled out completely. For your convenience and for quick and secure payments, Costco accepts Visa, MasterCard, Discover and Costco Credit Cards. If you utilize Costco's Traditional Mail Order service, you may also make a payment by mailing a personal check with your order or supplying a voided check for Electronic Funds Transfer. Please refer to your benefits plan for co-pay information. Typically, orders paid with a credit card are processed up to two days faster.

How will I know the cost of my prescription order? It is your responsibility to know the co-pay(s) for your prescription order. For additional information, please contact your benefits provider.

Where is my order being shipped from?

The Costco Mail Order Pharmacy is located in Corona, Calif. Costco will ship anywhere in the United States. Please be aware that shipping times may vary depending on where you are located in the country.

When I receive my order, what will be included in the package?

Each package will include your prescription medication, prescription label and a drug monograph. All prescription bottles will be sealed with child-safety caps to prevent them from opening during shipment. If you select easy-open caps, they will be included in the package for you to switch once your package has safely arrived.
