

SSM Health Employee Medical Plan Out-of-Area Coverage – Oklahoma

If you or a covered family member is residing outside of the SSM Health service area, you may apply to have your medical claims covered as out-of-area. If eligible for coverage, you may access care by seeing a First Health provider, a provider directory is available at firsthealth.com.

To determine if the place of residence for you and/or your covered dependent(s) qualifies as out of area, please search for the zip code. To search this PDF, enter Ctrl + F and enter the zip code.

If you **do not** see the zip code listed here, you may submit an application for out-of-area coverage. If your zip code **is** listed here, you are considered IN AREA and will access care through the SSM Health Employee Medical Plan Network.
